# WELCOME

Welcome to SYO's 2024 Youth Orchestral Camp (YOC) Concert! After such a huge success with YOC in 2023, we are very excited to be back in beautiful Armidale for another year of unforgettable, regional, musical collaboration.

We are thrilled to have over 200 of our talented, young musicians collaborating with 50 regional guest musicians this year for five days of intensive, collaborative, musicmaking. At SYO we are committed to dissolving geographical barriers to music participation and believe in access to music and musical opportunities for all young musicians across NSW and Australia.

It warms my heart to see so many of our regional guests from our 2023 camp returning to participate in this year's activities. The impact of these projects on their participants and their audiences is immeasurable. Activities such as YOC are only made possible through the generous support from you, our community. I thank you, for your contribution to the bright future of this incredibly talented generation of musicians.

## A NOTE FROM JAMES

It gives me great pleasure to return to Armidale for this year's Youth Orchestral Camp (YOC). Community building is the essence of YOC, and we look forward to fostering new musical relationships and networks of young musicians and music lovers across NSW.

I look forward to conducting today's concert with this wonderful group of musicians. These young people work incredibly hard at their craft, and it is a privilege for me to share their sound with you. Your support directly impacts the sound of our future generations.

I wish to thank all of our hardworking and passionate SYO Staff, Conductors, Tutors and Volunteers for giving their time and sharing their wisdom over this past week. These camps could not be possible without their unwavering commitment and continued support of SYO and all that we do.
