A Note From James

Today's concerts are an effervescent culmination of the hard work and commitment of these young musicians and their conductors across the SYO Program.

As Australia's largest instrumental music program of its type, SYO strives to foster an environment for musical communities to develop and thrive.

Performance opportunities such as today, are an example of the excellence and talent that is possible when young people with a shared passion for music, have a space to come together and transform their lives through music, sharing the results with you, our loyal supporters.

Your generosity makes concerts like this possible. Thank you for supporting SYO and the future generation of young musicians
