On Saturday 20 September, each SYO orchestra will come together to perform and fundraise for SYO in locations across Sydney city and Parramatta Westfield as part of The Big Busk and broadcast live on The Big Busk YouTube Livestream.

Could your Orchestra take out the title of 2025 #1 Big Buskers?

WHAT HAPPENS ON THE DAY

Each SYO Orchestra will be allocated performance times and locations between 7am and 6pm. This schedule will be available closer to the date. Volunteers will be stationed at each performance, encouraging audiences to donate.

WHY DO WE BUSK?

The Big Busk began in 2018 to showcase our wonderful musicians and artistic staff and to raise public awareness of SYO programs. The Big Busk is also an important event to generate media interest but most importantly, **to fundraise for SYO** (it's also really fun!)

WHAT ARE WE FUNDRAISING FOR?

SYO is a not-for-profit, dedicated to supporting young musicians. We aim to keep our fees as low as possible for our musicians, covering the cost of approximately half of what a participation fee costs. We do this to ensure everyone can participate.

The Big Busk helps us to purchase and upgrade important things like; Music, Instruments, computers, music stands, first aid kits, photocopiers, trucks and vans!

HERE'S HOW TO BE INVOLVED

- Find your Orchestra's page on MyCause and copy the website link
- Share this link with your friends and family, asking them to donate under your name
- Check SYO Online each week for prizes to be won.
- The orchestra that raises the most money will be celebrated in an end of term party!

Please contact Georgia if you have any questions at development@syo.com.au

THANK YOU FOR YOUR SUPPORT!
